

AT FILMS LASTIC-TUBE® WARRANTY BALE TUBE WARRANTY

AT Films Inc. (ATF) warrants Lastic-Tubes® and Bale Tubes against premature failure caused by manufacturing defects or UV degradation for their stated life expectancy when installed in the Continental United States of America or Canada, according to the requirements provided in Table I.

Manufacturing defects are:

- Tubes shorter than stated length or width
- Splits on folds

The following list sets forth examples of warranty exclusions only and shall not be deemed to be a comprehensive listing of all potential warranty exclusions.

- Degradation or Failure caused by chemical contamination
- Physical damage or failure caused by unusual meteorological conditions such as severe weather including:
 - Extremely cold or hot weather
 - Ice, or hail damage
- Damage or failure caused by any alterations or modifications made to the Tubes
- Damage or failure caused by vandalism, animals, rodents, birds, pests, etc.

ATF will replace Lastic-Tubes® and Bale Tubes determined by ATF to have failed prior to the warranted life expectancy, from the **date of purchase from an ATF authorized dealer or distributor**. This Warranty covers Tube Replacement only and is limited to the amount paid for the defective film or for replacement thereof. ATF terms and conditions of sale will apply.
